

Celebrate National Bipolar Awareness Day with a free MoodPulse-Mini

Posted On Oct 08, Posted by [BipolarLab](#) Category [BipolarLab News](#)

The BipolarLab clinicians and staff celebrate the National Bipolar Awareness Day by offering to all bipolar friends a free MoodPulse-Mini session. You get:

1. A psychometric assessment of your mood (mania, depression, anxiety) and ability to function.
2. Mood measurement with gold-standard psychometric instruments.
3. A User-friendly report delivered immediately in your inbox and in your doctor's/therapist's email.

For more information about MoodPulse-Mini see here: <http://www.bipolarlab.com/moodpulse-mini>

To book a place email [This e-mail address is being protected from spambots. You need JavaScript enabled to view it](#)

All assessments are provided all over the world via Skype (in English or Greek) with the assistance of a friendly BipolarLab facilitator.
