**Subject: eMonitoring Project: Confirmation of initial appointment**

Dear

Thank you for having an interest in participating in our study.

I am writing to remind you of our appointment on:

Date: \_\_\_ / \_\_\_ / \_\_\_      Time: \_\_\_\_\_

This is going to be the first assessment of the study and it is usually the longest one. It may take about 2 to 3 hours with breaks.

Our appointment will take place in the **Main Building** (see attached map) of the **Institute of Psychiatry**. This is on **De Crespigny Park Road**. The closest train station is **Denmark Hill**. When you reach the main building go to the main reception and say that you are here to see **Yanni Malliaris (ext. 0320)**. They will then ring me and I will come down to meet with you.

Please also find attached our information sheet with the consent form and our baseline questionnaire that would be good to complete a day before our appointment. Please remember to bring these documents with you. Feel free to call me (**0207-848-0320**) at any time if you have any questions.

I look forward to meeting up with you.

Regards,

Yanni
